

ABGi, part of Visiativ, confirms its position as market leader in innovation management and funding consulting

ABGi France & Absiskey have merged on April 1st, 2024.

Having joining forces fourteen months ago, ABGi France and Absiskey, historical players in innovation management and funding consulting, announce their merger. They are creating a unique and singular entity, dedicated to the sustainable performance of their clients.

This merger is the result of a shared vision: to provide their clients with a unique experience and an unprecedented value proposition. Together, they form a strong team, ready to tackle the challenges of tomorrow.

With 7 offices in France and a strengthened international footprint, their new network extends across several continents. Their experts, located around the world, work hand in hand to support their clients in their innovation and growth projects.

220 employees in France and 515 worldwide are driven by a passion for innovation. Their diverse expertise and commitment are the pillars of our common success.

Our New Ambition

« The merger of Absiskey and ABGi France under a single brand, ABGi France, completes a structured process of bringing together two key players in our innovation management and funding market and opens a new chapter. A new chapter that allows us to deploy our unique value proposition through a single, clearer identity, closer to our clients and prospects thanks to our presence in various territories. »

ABOUT

ABGi France

ABGi, a subsidiary of Visiativ, is the founder and leading player in innovation funding and management consulting, both in France and internationally. With 35 years of experience and a network of 515 experts and consultants, we manage several billion euros of direct and indirect funding each year for a wide range of clients. Founded by entrepreneurs and developed by its employees, ABGi is a unique intrapreneurial and human adventure where everyone is dedicated to developing tailor-made solutions to support the structuring and funding of innovation for its clients.

Visiativ

Visiativ's mission is to make digital transformation a performance lever for companies. We do this by co-building alongside our customers, over the long term. We call this our promise: "Sharing, is growing".

We support our customers by providing solutions and services to plan, implement, manage and monitor transformations with a unique and innovative approach through three pillars: Consult (consulting & support), Engage (solutions & deployment) and Connect (communities for exchange and sharing). With over 35 years of proven experience working with more than 25,000 Small & Mid-Market customers, Visiativ has achieved revenues of €277 million in 2023. Visiativ is present both in France and abroad (Austria, Belgium, Brazil, Canada, Germany, Luxembourg, Morocco, the Netherlands, Poland, the United Kingdom, U.A.E, USA and Switzerland) and has more than 1,500 employees.
